Claims 1 and 3-15 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach nor does any combination thereof fairly suggest a device for attaching at least one slat of a slatted base having a second connecting means connected to a base portion of a second member by means of a connecting member which is separate from the first connecting member with a resilient member having first and second parts disposed on opposite sides of the second connecting means.. The combination of elements as set forth in the claims is not shown by the prior art, and in particular the features as set forth above

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
